*Who we are and what we do...*

My name is Neil.

I run Ignition Support.

Ignition Support is a day service.

We support people to learn mechanics.

We cover Gravesham, Medway and Swale.

Your support worker will collect you from your home in our red van.

## *Who we are and what we do...*

With the skills you learn, you could go on to work in a garage.

Tinker at home on an old car.

Or earn money from selling car parts using the free ads.

Learning mechanics can help you to:

- gain more independence,
  - reduce boredom,
- create your own social activity
- reduce antisocial behaviour
- earn your own money.

Our vision is to provide the opportunity to learn, gain experience and build confidence in mechanics, enabling you to choose your own future pathway.
